*If a waste/borrow site is anticipated for your proposed project, you are required to properly address the erosion control of the waste/borrow site in the E & S Plan.

DO NOT haul to or from the site(s) unless you have approval for each waste/borrow area. The undersigned agree to comply with ALL REQUIREMENTS OF THE Pennsylvania Department of Environmental Protection, Title 25, Chapter 102 Erosion Control Rules, and Regulations, and further agree to obtain ALL the necessary permits associated with the subject project.
