

Fayette County Conservation District AGRICULTURE Scholarship - General Information

The Fayette County Conservation District is offering multiple \$1,500.00 scholarships to students from Fayette County for the 2026/27 academic year. They will be awarded to students enrolled in an **agriculture** related major or program, or in an **environmental science** related major or program.

AGRICULTURE SCHOLARSHIP QUALIFICATIONS:

- A. **The applicant must be a resident of Fayette County.**
- B. The applicant must be enrolled in or accepted into an Agriculture or related field of study for the 2026/2027 academic year. Examples of Agriculture related programs include but are not limited to: Agricultural and Biological Engineering; Agricultural Education, Economics and Sociology; Animal Science; Ecosystem Science and Management; Entomology; Food Science; Plant Science/Agronomy; Soils Science; Plant Pathology and Microbiology; Veterinary and Biomedical Sciences; Forestry. Determination of whether your major course of study qualifies will be at the discretion of the Board of Directors of the FCCD. If you are not sure your program is eligible, contact the FCCD office.
- C. The scholarship shall be awarded by the Conservation District Board of Directors without regard to race, color, religion, age, sex, sexual orientation, gender identity, national origin, disability or protected veteran status.

AGRICULTURE SCHOLARSHIP APPLICATION

The applicant will submit:

- * Completed FCCD *Agriculture Scholarship* application
- * A copy of the acceptance letter/student ID from the program you will be attending
- * List of involvement in extra-curricular activities *within your chosen field of study*
- * Essay conveying why you are entering this particular field of study

Completed applications must be received at the Conservation District office by 3:30 PM, May 1, 2026. The scholarship recipients will be notified on or about June 2, 2026.
